Agenda:

- Fish way lead employees pay rate review.
- Summer student program.
- Mollyguajeck 2015 project.

Fish way lead employee pay rate review:

There are two regular lead employees hired each season by FABEC to operate the Middle Brook Fish Way and the Terra Nova River Fish Way at Grant Falls. The pay rate for 2014 was \$13.50/hr and this rate was set three years ago. The two employees have requested that the rate be reviewed and FABEC has agreed to set the new rate for the regular lead fish way employees at \$14.50/hr. This rate is now set for the remaining two years on FABEC's DFO fish way contract for both Middle Brook and Terra Nova River at Grant Falls.

Summer student program 2015:

Service Canada has approved 5 student positions under FABEC and 2 positions under the Development Association. The seven student positions will be allocated to the following areas:

- ✓ Terra Nova River at Grant Falls - Fish Way assistant 1
- ✓ Middle Brook -Fish Way assistant..... 1
- ✓ Upper Terra Nova River- monitor..... 2
- ✓ Middle Brook -monitor..... 1
- ✓ Maccles Brook -monitor..... 2

The rate of pay for the seven student positions will be \$11.25/hr. The student positions are approved for a seven week work period at 35hrs/week.

Geoff Veinott from DFO Science Branch will be invited to attend a one day training session for the students in Glovertown at the Development Association Building.

Mollyguajeck 2015 project:

The only outstanding funding for this project to move forward is the \$16,000.00 requested from the Federal Gov., Finds Division Section 79.2. It was decided to contact DFO in St. John's to ascertain the status of FABEC's application.
