Moved by Paul Stewart  
Seconded by Chris Warford  
Carried

Motion: To adopt the minutes of June 1, 2016  
Moved by Chris Warford  
Seconded by Paul Stewart  
Carried

## MFF 2016 Project:

- ✓ FABEC applied to DFO on June 15, 2016 for a fish trap license to operate a fish trap in the MFF fish way during the 2016 Atlantic salmon season.
- ✓ FABEC applied to DFO for permission to construct a temporary sand bag deflector wall into the main stem of the TNR to channel water into the fish way to ensure there is adequate water flow to operate the fish way during the 2016 season. It is anticipated 200 sand bags will be required.
- ✓ The MFF project is expected to start around mid July 2016 and chopper time is booked to transport camp supplies to the site.

## Service Canada Summer Student Program:

FABEC is encountering difficulties in recruiting students to fill vacancies in its summer student program. Currently there are three vacancies.

## DFO Caution Boards Lower Terra Nova River:

FABEC will contact DFO to review caution boards on the lower Terra Nova River below Grant Falls.
