

**Freshwater Alexander Bay Ecosystem Association
Directors Meeting
June 11, 1997**

Attending:

Fred Holloway	Phil Riggs	Ed Stewart
Peter Deering	John Baird	Austin Stewart
John Gardiner	Gordon Stewart	

Summary of issues dealt with:

- (I) *Berkley Slade's response to Conservation management options*
General displeasure with Berkley's response; a response to his letter will be forwarded with a request to meet with Berkley Slade and Wayne Follett. John Baird, John Gardiner and Fred Holloway agreed to attend meeting; a follow up letter will be forwarded at a later date to address DFO process.
- (II) *Public Relations*
It is important that we develop better communications with: Rattle Anglers, Cabin Owners, other groups and organizations. Eg. Lions, Firemen, Loyal Orangemen's Association. Meetings with these groups and information questionnaires will help us communicate.
- (III) *Students*
Two for eight weeks. Fred will organize with some assistance from Gord.
- (IV) *On-going Projects*
 - * Public meetings proposal complete
 - * Rehabilitation plan for plant road nearing completion
 - * River Management Implementation plan - John Baird has started this plan.
- (V) *Bookkeeping Issues*
 - * Invoices should be submitted for labour, services, travel, etc.
 - * A committee, to include invoices and recommend payment.
