DFO Scientist - March 19, Gambo Lions Club, 7:00 PM

B. Presentation for public meetings John, Maxine and Austin to meet 1:30 Sunday and complete presentation.

C. Landscape Rehabilitation Proposal:

Maxine discussed money details of the plan and requested input from members. It was agreed by consensus that Maxine would check into the viability of contracting supervisory personnel from the "Green Team" to supervise our project activities. These services would cost us \$3000.

D. Committee members under John's co-ordinator "Brainstormed" for an hour or more in an attempt to determine broad objectives and appropriate tasks for each objective. These were noted on a flip chart for inclusion into our implementation plan.
