

Date: March 27, 2002  
Meeting: Special  
Location: Stroud Building  
Time: 7:50PM

Present: Gordon Stewart, Robert Rogers, Austin Stewart, Steve Way, Fred Holloway,  
Kevin Stroud.

Discussion on a new meeting night.

Agreed. We will meet on the last Wednesday for April-May-June. Regular meeting.

Gordon & Austin Stewart agreed to make phone calls to advise the membership of this change.

Management Plan for Rodney Pond, First & Second Burnt Ponds is in place & seems to be working well. Survey at Rodney Pond, First & Second Burnt Ponds to be extended to include Square Pond and Butts Pond this summer.

Evaluation meeting in St. John's  
Terra Nova River and the three (3) fishways

Discussion on our Salmon Enhancement Program.

Discussion of Lamprey Eel problem.

Electrofishing survey on Lamprey Eels to be done by FABEC membership this Fall in the area from Spencer's Bridge to Birchy Point. Count on the number of adult and juvenile.

With 330 fish going through the fishway on Mollyguajeck Falls we now have to develop a management plan for the area above Mollyguajeck Falls.

- Catch and release only
- Catch areas

Public meetings for input.
