

**Freshwater - Alexander Bays  
Ecosystem Corporation**

Date: Aug. 26, 2009  
Place: R.E./ Stroud Bldg.

Meeting: Regular  
Time: 7:30 P.M.

Present: Scott Pritchett      Gil Stone      Lisa Gosse  
          Kevin Stroud

Moved by Scott Pritchett      Second by Gil Stone  
to adopt the agenda as discussed      Carried.

Moved by Gil Stone      Second by Scott Pritchett  
to adopt the minutes of July 29, 2009      Carried

From the Minutes:

1. Fishway Counts  
Terra Nova River 2536      Middle Brook 1720      Salmon Brook 1140
2. Cabin on Rodney Pond  
still no correspondence from the Minister
3. River Monitors / Fishway Attendants  
river monitors are finished for the season  
fishway attendants will finish on Sept 11, 2009
4. Proposed Cranberry Farm near Drovers Brook  
no correspondence from the Minister  
discussed proposal has been withdrawn, now applying for a site neat the Terra  
Nova River.
5. Upstream entrance to the upper fishway near Terra Nova has a 'HOLDING POOL  
AREA' that could be a poachers dream. Salmon / Trout can be trapped in this  
area .....something has to be done to discourage poaching in this area.
6. North West Brook, Alexander Bay  
poaching has always been a problem in this area, and AGAIN this year.

7. SCNL AGM Oct 2-3-4 at IBEC Camp Indian Bay  
Cost \$225.00 per person  
a group report is needed  
our membership fee of \$250.00 is due  
agreed we would reg 2 members to attend the AGM  
Moved by Scott Pritchett Second by Gil Stone  
that we pay SCNL our Membership fee of \$250.00 Carried
  
8. River Watch Program  
History?  
Program review.  
Future of program in FABEC area
