that we adopt the agenda as discussed.
Carried

Moved by Gordon Stewart
Second by Thomas Hounsell
that we adopt the minutes of October 31, 2007 as presented.
Carried

From The Minutes:

1. Access Road off the railbed south towards the Terra Nova River.
- Scott is checking on the above.
2. New Fishway contract with DFO
- waiting on a meeting with Art Walsh, DFO to discuss same.
3. Conservation plan for 2008
- Moved by Thomas Hounsell
Second by Gordon Stewart
that all areas above and including Island Pool to the Lower Fishway on the Terra Nova River, for the 2008 fishing season; be open to Hook and Release fishing only. This is because of the low returns during the 2007 season. This will be review again in 2008 for the 2009 fishing season. This Conservation measure is to go to DFO for their consideration.
Carried.

Moved by Thomas Hounsell

Second by Gordon Stewart

that we pay \$500.00 to ABTNDA for administration and use of the
Development Bldg.

Carried

* advised the road to the upper fishway Terra Nova River has been started. And construction on the fishway is expected to start next spring.

* Discussion: need and cost of a survey on the fishway at Mollyguaheck Falls or a redd survey above the fishway in late 2008.

*Atlantic Salmon Conservation Foundation - project for next summer.

Discussion: restoration on the tributaries of the Terra Nova River,
Survey 2008....Work to be done in 2009?????

**Our next meeting will be on January 30, 2008 at the
R.E. Stroud Bldg. At 7:30 P.M.**
