

## Freshwater–Alexander Bays Ecosystem Corporation

Date: May 6, 2011 Meeting: Monthly  
Place: NLLPA Building Time: 7:30 PM

Present:

Gil Stone	Kevin Stroud
John Baird	

### New Business

#### District 4 – George’s Pond Access Road

**Motion:** Request DNR to convert the two bridges on Georges Pond Access Road for ATV access only by installing barriers to road vehicle access.

Moved by: Kevin Stroud Seconded by Gil Stone

Passed

#### District 5 - Square Pond Cutting Block

**Motion:** Request Corner Brook Pulp and Paper to:

- (1) Maintain a 100-m no-cut buffer from the shorelines of Middle Brook and First Burnt Pond
- (2) Develop winter roads only near Pussel Pond and Middle Brook

Moved by Kevin Stroud Seconded by Gil Stone

Passed

#### District 5 – Terra Nova River, Cutting Blocks 11 & 12

**Motion:** Request DNR to:

- (1) Maintain a 100-metre no-cut buffer from the shoreline of Terra Nova River
- (2) Use a landscape design approach for other proposed cutting areas visible from the River
- (3) Decommission all roads to be constructed between the railway bed and Terra Nova River. Alternatively develop as winter roads only.

Moved by Kevin Stroud Seconded by Gil Stone

Passed

#### District 6 – Rodney Pond, Cutting Block 6

**Motion:** Request DNR to:

- (1) Maintain a 100-metre no-cut buffer from the Rodney Pond shoreline
- (2) Decommission all primary and secondary roads located within one kilometre of the south side of Rodney Pond. Alternatively develop as winter roads only.

Moved by Kevin Stroud Seconded by John Baird

Passed

## **Cabin Development**

**Motion:** Request Crown Lands to:

- (1) Freeze future cabin development on George's Pond.
- (2) Freeze future cabin development everywhere upstream of Square Pond in the Middle Brook watershed.
- (3) Consider designating the Chain Pond area in the Maccle's Brook watershed for future cabin development

Moved by: Gil Stone

Seconded by Kevin Stroud
